For Sale—A few nice meat hogs; weight 200 to 300 pounds. W. H. Murphy, Phone 99-3 rings. 95-2

For Sale—50 acres of timber (and on Ottenheim pike Frank Coleman, Route, 1 Stanford, 98-8p.

For Sale—800 bushels of shell-ed oats, 200 bushels orchard grass seed, 500 bales timothy hay, 5 fancy Polled Durham weanling bull calves A No. 1. Duroc Jersey boar. A. W. Carpenter, Moreland, Ky. 98-1f.

In a letter to the Farmers' Home Journal Alex R. Denny one of the best known farmers of Garrard, writes as follows:

Having been a farmer and feeder of cattle for over fifty years I have noted the increasing difficulty of procuring suitable cattle for feeding purposes. One of the principle causes in my judgment is the craze for Jersey cattle, good for milk and butter but a failure for beef purposes and entailing a great loss to the farmers of Kentucky. The loss is the value of the calves is enormous. Calculate the difference between the small pittance received for the Jersey calf and the Shorthorn as weanlings, and you will begin to see the loss to every owner of a cow. Now in my opinion the remedy for this state of affairs is to introduce Shorthorn bulls and grade up the Jersey which will produce a good milker and add vastly to the profit of the steers for feeding purposes.

I submit this view to the judgment of my fellow.

#### EASY TO GET RID OF DANDRUFF

Dandruff means that down near the roots of your hair there is a vast army of little invisible germs or microbes.

And this army never sleeps; it wages a war of destruction night and day. It destroys the nourishment that the hair must have in order to grow vigorously and abundantly.

PARISIAN SAGE now sold all over America will destroy these germs and at the same time furnish the hair roots with just the proper nourishment to make hair grow lusty and luxuriant.

PARISIAN SAGE is guaranteed by G. L. Penny to banish dandruff, stop falling hair and itching scalp or money back. It is a delightful hair dressing that wins instant favor with refined women.
